

# Events at The Dalí Museum

## St. Petersburg, FL

Located on the beautiful downtown waterfront of St. Petersburg, Florida, The Dalí Museum invites guests to enter the surreal world of renowned Spanish artist Salvador Dalí. Home to a preeminent collection of works representing every moment and medium in the iconic artist's lifetime, The Dalí offers a unique setting for any event, blending stunning architecture and world-class art with the beauty of St. Pete.

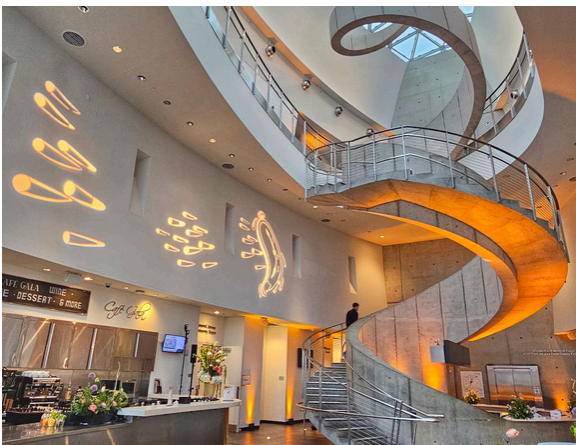

Events at The Dalí include exclusive private gallery access, providing groups the ability to connect with Dalí's art during their memorable experiences. Guests can mix and mingle on the Bay Vista, which boasts sweeping views of the St. Pete waterfront, or wander the enchanting Avant-garden. The Museum's Foyer and Raymond James Community Room provide the perfect space for guests to gather, while the iconic spiral staircase and geodesic glass structure known as "The Enigma" create a striking backdrop unlike any other venue.

Private events booked at The Dalí support the Museum's mission to care for and share the collection while preserving Dalí's legacy for generations to come.

# Events Spaces

**The Raymond James Community Room** is a versatile indoor space with a clean, modern aesthetic designed to adapt seamlessly to your event vision. Its flexible layout options and integrated A/V capabilities create a polished setting for both seated and cocktail style event experiences. The neutral design allows for full customization, offering a refined backdrop that can be tailored to a wide range of event styles and décor concepts.

**The Foyer** is a striking interior space centered around the Museum's signature spiral staircase and framed by the glass Enigma. Filled with natural light, the open layout features a built in bar and creates an elevated atmosphere ideal for cocktail style gatherings, seamless guest flow, and vibrant social experiences within one of the Museum's most iconic architectural settings.

**The Avant Garden** is a premier outdoor venue blending artistic elegance with breathtaking waterfront views. Surrounded by iconic architecture and landscaped grounds, the open air space offers a flexible and elevated setting ideal for cocktail style events from sunset to under the stars. Enhance your guest experience with a private Dalí Alive 360° immersive video presentation showcasing the life and works of Salvador Dalí.

**Private Gallery Access** to the Museum's Level Three galleries is included with your event, allowing guests to explore the remarkable works and legacy of Salvador Dalí within an immersive and world renowned museum experience. Connect with our team to confirm current special exhibits and gallery access timelines.

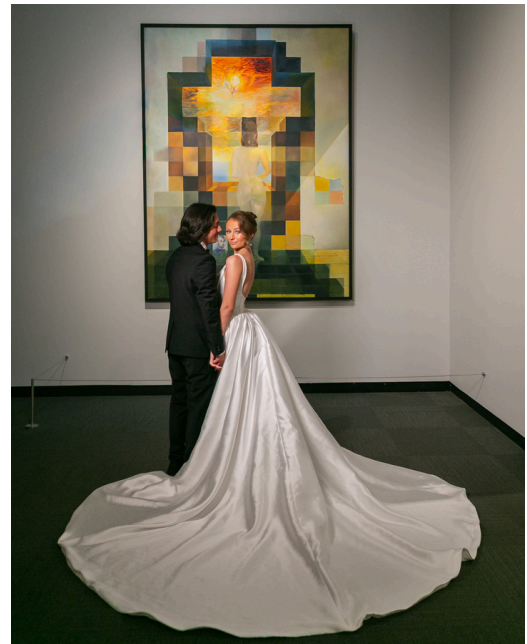

# Social + Corporate Events

Host your next social or corporate event at The Dalí Museum, where inspiring art, striking architecture, and scenic waterfront surroundings create a one of a kind guest experience. With a variety of indoor and outdoor event spaces, the Museum provides a dynamic setting for cocktail receptions, company celebrations, galas, private dinners, and community gatherings.

# Weddings

Celebrate Your Wedding surrounded by world renowned art, iconic architecture, and breathtaking waterfront views at The Dalí Museum. From elegant indoor spaces to stunning outdoor settings, the Museum offers a truly unforgettable backdrop for a wedding experience that is artistic, elevated, and uniquely yours. Wedding ceremonies can be hosted onsite in the Garden, on the Museum staircase, or on the Bay Vista overlook.

# Sample Event Pricing

This guide outlines baseline costs for a standard cocktail-style event.

A cocktail-style event offers a social, flexible format with a mix of standing and seating. This includes beer and wine service with passed catering or buffet-style options, allowing for higher guest counts and a more dynamic event flow.

Every event is unique. A custom quote will be provided based on your specific budget, vision, and guest experience.

Our in-house event planner will guide you through every step, from initial concept through final execution, ensuring a seamless and well-coordinated event.
